Addition Sheet # 2 - Hand

1. Read the underlined word: hand
2. How many letters are in the word hand? \_\_\_\_\_
3. Create a number sentence whose sum is equal to the number of letters in the word hand. The **sum** is the answer in an addition problem.

$$\underline{\hspace{2cm}} + \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

4. Use the underlined word from above in a sentence.
